

# Set Up Your Students in Classes

## Step 1: Start from My Dashboard

Look near the “Students & Classes” dashboard icon. Click “Set Up Classes and Invite Students”.

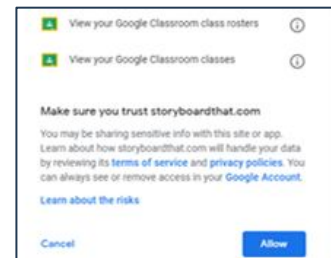

## Step 2: Click Import Your Classes under the Google Classroom icon.

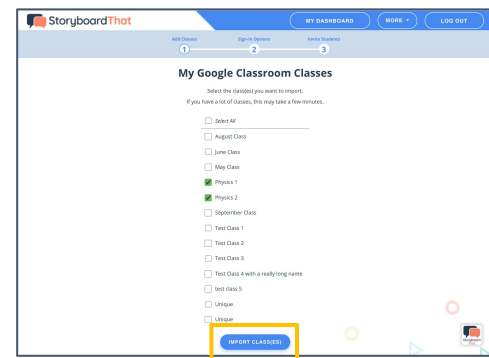

## Step 3: Sign Into Your Google Classroom

Click “Allow”.

## Step 4: Roster Classes and Students

Select your classes to roster from Google Classroom into Storyboard That. Click “Roster Class(es)”.

Success! Students will be in the correct classes & can log in with Google!

Students go to [www.storyboardthat.com](http://www.storyboardthat.com). They can log in by clicking “Log In” on the home page, then the “Google” button.
