

Why should I use a **TEACHER ACCOUNT** instead of a **FREE ACCOUNT**?

FREE ACCOUNT

TEACHER ACCOUNT

only \$5.99*

- students must enter their **own email addresses**

- **no student email addresses needed** - students can sign up under the privacy of your administrative account

- **no access** to students' work or assignments

- see all of your students and their work from your **private account dashboard**

- **limited use** of creator features (and can only make only two 3-6 cell storyboards/week)

- unlimited use of **all creator features** including upload and layouts, and **unlimited storyboards**

- **limited use** of export features

- unlimited usage of **all storyboard export features**, free of watermarks

- **students under the age of 13 are NOT allowed** to use the free version of Storyboard That

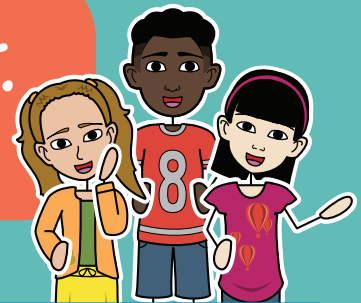

- **privacy policies are in place** so students under the age of 13 are allowed to use Storyboard That

Privacy? A paid teacher account is

FERPA, COPPA and SOPIPA COMPLIANT.

A free account **DOES NOT ALLOW** students under the age of 13.
